Pink Bliss provides a party favor for each girl attending and a logo t-shirt for the Party Girl. We will also happily provide the paper products (plates, napkins & spoons) and drinks (juice pouch or bottled water) for the paying guests. The customer is responsible for bringing a cake or cupcakes, if they choose. No other food permitted.

For the best party ever, it is the customer's responsibility to:

Book early to ensure that you are able to celebrate on the date of your choice.

Have a back-up date in mind when you call.

Have an idea of how many girls you will invite.

Be prepared with your payment information. We only "hold" a reservation without a deposit for 24 hours.

Send out your invitations in a timely manner and follow up with people who have not confirmed. An accurate head count allows us to host the best parties.

Relax! We know what we're doing!
